Your gift before December 31, 2017 will be *doubled* this holiday season!

Dear Mr. and Mrs. Sample,

With the holidays approaching, we reflect on our blessings and look forward to spending time with family and friends. Being *home for the holidays* is a true blessing at this special time of year.

But some of our struggling neighbors don't have a stable place to call home. These hardworking families and individuals do everything they can to make ends meet, and are often left worrying about how they're going to make their next rent payment.

When struggling to keep a roof over your head, the idea of owning your own home seems out of reach. Everyone needs decent and affordable housing – a place they can truly call home.

You can help make their dreams come true this holiday season. I'm thrilled to announce that an anonymous donor has generously offered to match every donation made to Habitat for Humanity – dollar for dollar – up to \$20,000! That means every \$1 you give before December 31st will be worth \$2!

Mr. and Mrs. Sample, this is a special opportunity for you to bring hope to our neighbors in need of affordable housing. Your gift of \$LG, \$UG1 or more today will do twice as much good towards helping struggling families achieve their goal of homeownership.

Your generosity can help build strength, stability, and self-reliance for hardworking people in our community...people like Terria. A single mother of three children who is determined to help her children achieve their dreams.

A native of Wayne, Pennsylvania, Terria completed one year of college but left after giving birth to her daughter, Alisha.

Alisha was diagnosed with Down Syndrome and today she is a vibrant and outgoing 15-year-old who enjoys singing and wakes up each day with a smile on her face.

Terria's middle child, Brianna, was born prematurely and faced medical challenges, but she

defied the odds against her. She has achieved milestones – in both school and with friends – that no one thought possible.

Seven years ago, Terria welcomed a son, Brian, who also had special needs and required early intervention care. Brian is sweet and thoughtful, always encouraging his sisters and mother to be their very best.

Although she has been a fulltime caregiver over the past 15 years to her three children, she decided to move back to Montgomery County and enroll her children in an exceptional school district. At the same time, she applied for Habitat for Humanity's *Almost Home* Course.

Her hard work, through the 8-week course, paid off as she was selected to purchase a new townhome in Bridgeport, PA. Terria could hardly believe the news that she and her children will be home for the holidays.

"Purchasing a home through Habitat means that I don't have to keep moving my children from one rental to another. It has given me financial freedom and security. It means a new start for my family. And it means that I can provide for my children," explained Terria.

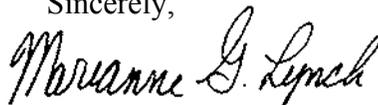

"After my family transitions to our new home, I will go back to college next fall," says Terria. *"This is the beginning of my new life. I'm a better and stronger person than I was when I started this journey. Habitat is a true blessing and I'm so thankful for their help."*

During this special time of year, your generosity will go twice as far to help others be *home for the holidays*.

Thanks to a generous matching gift – and generous donors like *you* – we will continue to give hope to more hardworking people in our community.

We wish you and your loved ones a wonderful holiday season!

Sincerely,

Marianne G. Lynch, CFRE
Executive Director

P.S. Please make a gift to help more people like Terria be *home for the holidays*. Your support before December 31st will be doubled! Thank you.
