Habitat for Humanity of Montgomery and Delaware Counties (Habitat MontDelCo) is proud to host Women Build again this year. In celebration of Women’s Month, Habitat MontDelco and hundreds of women volunteers will come together to build homes, communities, and hope.

**Why Women Build**

Female homeownership is on the rise! Despite women earning $0.81 for every dollar a man makes, the homeownership rate among women increased from 50.9 percent to 61.2 percent between 1990 and 2019. Now, women-headed households account for half of all households in the United States!

At Habitat MontDelco, we know that homeownership is one of the best ways to stabilize finances, build equity, and create generational wealth that gives parents and children the secure foundation to achieve anything. Women Build is about empowerment, education, and community. Women helping women and learning from each other sends a powerful message.

**Women Build Events**

Our Women Build events provide the opportunity for women to take a proactive step in serving their communities. No prior building experience is necessary!

Women Build volunteers work under the guidance of construction professionals and alongside other volunteers and future Habitat homeowners. Whether you are learning new skills or simply adding a few to your tool belt, this is a rewarding experience for all involved and improves the community that we share.
WOMEN BUILD 2023
