Rock the Block - Building community.

1 Town | 1 County | 1 Day Filled with Hope | April 29, 2023

Our mission at Habitat for Humanity of Montgomery and Delaware Counties is to bring people together to build homes, community, and hope. Rock the Block is centered around advocacy, clean-up, and community across our entire service area. We are taking a stand to continue the fight for safe, decent, and affordable housing.

Rock the Block is an extension of Habitat for Humanity’s neighborhood revitalization efforts with specific emphasis on assisting neighborhoods where Habitat is active with community projects and advocacy. Studies show that people who use an area care about its appearance. When a neighborhood is clean, well lit, and used frequently by residents and their friends, crime significantly drops. Rock the Block is a day of unity and community care.

This year we will also be hosting a Rock the Block After Party at Von C Brewing Company! The Block party will include a DJ, food, and kid’s activities.

Team up to Clean up

We are excited to be able to have community care and cleanup activities in Norristown and bring neighbors together! Join us by being outside, having fun, and celebrating hope in the neighborhood.

Projects will be outdoors and include:
- Lawn care and trash removal
- Resident projects such as painting, weeding, and raking
- Light demolition
- Adding picnic tables and storage bins
Who participates in Rock the Block?

Our success depends on working with residents and business owners in these communities and adult volunteers passionate about Habitat for Humanity and community. These volunteers join us individually and through our corporate partners and are adults, 16 to 65+ years old, from all walks of life, living and working in our two counties.

How we market Rock the Block

Our marketing team engages our growing social media followers (11K on Facebook, 1K on Twitter, 2K on Instagram) and email subscribers (12K adult volunteers, donors, housing and community development enthusiasts) throughout the year to build excitement and participation. Posters and banners are also placed at worksites throughout both counties and in all Habitat MontDelCo ReStores.

Thank you to our 2023 Sponsors!
